Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Friday 02 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Mainly dry overnight, occasional heavy showers developing on Saturday.

This Evening and Tonight:
Although the odd shower can't be ruled out, most parts dry overnight with variable cloud amounts. Winds staying light, with some patchy mist in places by morning. Minimum temperature 11 deg C (52 deg F).

Saturday:
The odd shower possible in the south to start, but some more widespread showery rain spreading north during the day, locally heavy and thundery. Maximum temperature 19 deg C (66 deg F).

Outlook for Sunday to Tuesday:
Rather warm Sunday, with bright or sunny spells but also some heavy, locally thundery showers. Bright with scattered showers on Monday. Overnight rain, then showers Tuesday, and becoming cooler.
